THE TEAM

TTI Environmental, Inc.

TTI is proud to be an incumbent contractor on this award. TTI successfully performed similar services from 2007-2013 under contract N40080-08-D-0314. TTI is a SDVOSB with over 29 years of experience providing environmental services. Federal contracts as a prime and subcontractor for NAVFAC, US Army, AFCEE, VA, USAF, USPS and the GSA as well as working with numerous Fortune 500 companies. As annual gross revenues are less than 8 million, TTI meets the NAICS small business size standard for: 541620 Environmental Consulting Services, 562910 Remediation Services, 238910 Demolition Services 237120 and Oil & Gas Pipeline and Related Structures Construction. TTI is API 653/570/510, ASNT and OSHA certified and currently has a bonding capacity of 8 million, as well as comprehensive general liability coverage including Professional/Pollution insurance. TTI has the manpower and the heavy equipment to handle large projects.

AMEC, Environmental & Infrastructure

AMEC is the leading supplier of consultancy, engineering and project management services to our customers in the world's oil and gas, mining, clean energy, environment and infrastructure markets. With annual revenues of some \$6.6 billion, AMEC designs, delivers and maintains strategic and complex assets in 40 countries and employs more than 29,000 people worldwide.

Combining Excellence

To provide additional capabilities to our small business profile, TTI has chosen AMEC to support us as a teaming partner. TTI and AMEC have a strong strategic partnership and have been supporting each other since 2005. TTI has been a small business subcontractor on AMEC's WERC 2009. TTI has performed services for AMEC at Eglin Air Force Base FL, Joint Base McGuire Dix Lakehurst and Cherry Point NC MCAS. Both TTI and AMEC bring a strong team to support this contract. TTI previously having this contract from 2007-2013 is knowledgeable of the bases, installations and many of the personnel. AMEC bring added qualification of many professionals of all areas expertise throughout the NAVFAC AOR.

TTI Environmental, Inc.
